PERSONAL SYNOPSIS

I am a reflective individual with a keen eye for design and a passion for creativity. Eager to find a space where I can apply my creative talents and design thinking, I aim to contribute my imaginative vision and design skills to make a meaningful impact.

In my downtime, I act as...
a Bibliophile OR
a Cinema Lover OR
an Awesome Chef

COMPETENCIES

I possess efficient proficiency in a diverse suite of software tools -
Adobe Suite (Ps, Ae, Ai, Pr, Lr, In, Xd)
Cinema 4d (3D Interactive Models)
VS Code (HTML, CSS, JS, Node)
MyphpAdmin (PHP, Database, SQL)
Github along with MS Office

Being multilingual is the finishing touch to my array of skills.
